Exam Consult is a brand new online resource for medical students and postgraduate doctors in training, which provides users with test practice and ultimate reassurance they need when preparing for exams. "Basic Science" is the latest product, aimed at undergraduate medical students, giving them the edge in their clinical years and Finals exams. It includes an unsurpassed new question bank - more than 2000 questions comprising single best answer and extended matching questions - all passed by our Expert Panel to ensure absolute quality, consistency and relevance. It offers both short and extended rationales to answers - linking to high-return content from Medical Sciences, Gray's Anatomy for Students and Emery's Elements of Medical Genetics. It includes an extensive performance analysis - to allow users to clearly identify areas of weakness and monitor their progress against both previous performance and their peers'. This product provides user access via a pin code in a box, complete with user guide.
