30 Hot BDSM Sex Techniques for Your Relationship!!!!

Ready for a hotter, kinkier sex life with your partner?

Contrary to popular belief not all the activities that fall under the classification of BDSM involve both parties wearing lots of leather while one person flogs the other. In fact, BDSM is actually more concerned with pleasure than pain and ensuring both partners are comfortable at all times is key part of the experience.

If you have ever been the least bit aroused by the thought of being restrained or restraining a sexual partner or light biting or spanking, then this book might be just the thing you need to explore the idea of BDSM exploration more clearly.

Recent studies have shown that as much as 70 percent of the general population derives some pleasure from some form of BDSM practices be they restricted movement, dominance, submission or some form of painful stimulation.

Don't you owe it to you and your partner to explore a diverse range of sexual possibilities? You never know what you may in fact be missing!
