Daily Spirit Journal, Vol. VI John P. Cock

These quotes and reflections honor and yet transcend traditional religious and secular articulation, bowing to creation ... and spirit at its heart. The broad spectrum of quotes—from Kierkegaard to Joseph Mathews to Thomas Berry to Annie Dillard to Maya Angelou to Paul Hawken to the author-intends to make readers more aware of the profound spirit journey we all travel. During each one-minute reflection, expect deep nourishment for the day. The quotes are compiled by John P. Cock, with his reflections. His thirteen books include a memoir, book of poems, spirit journey novelette, and musings on spirituality, care of the earth, theology, cosmology, and vocation. He has blogged over 2,300 daily reflections over more than six years. He is co-creator of the Profound Journey Dialog event across the USA and globally.
