**When my step-grandfather dies, he shocks the family by leaving his fortune to me and my stepsister.**

Only it's not so simple. There's one small catch.

We have to compete for it. The first person to marry by the end of the year gets every penny. My sweet, infuriating step sister Darcy is so certain she's going to win that I'm pretty sure she's already shopping for yachts.

What she doesn't know is I've already picked out my bride.

**My plan is to marry Darcy.**

Every detail of my wicked scheme is fool proof. She'll never see me coming until it's too late. My personal motto is winner takes all.

**I'm walking away with the prize in one hand and my hot-as-sin rival in the other.**

DESIRE is a standalone, full-length novel with steamy scenes, cursing, a happily ever after, and no cheating.
