They Needed a Third Person to Complete Their Relationship...

Lila and Nova are mated, eternal partners with a lifetime of history and experience with each other. Their sex life, however, is non-existent, dragged out by Nova's secret, hidden from the world: He can't keep it up with a woman.

Following a plan they hatch after a night of failed sex, they decide to bring in another man, to help Nova create children.

Sick of surprise threesomes with his ex, Soro walks away, coming across a view so spectacular that he can't help but look away – and the landscape behind her is beautiful too.

Can Soro bring Lila and Nova the missing piece of their relationship? Or will they be stuck forever, forced to live through unfulfilling sex for the rest of their lives? Only Soro can decide...
