EAGLE STATION: An Historical Novel of War and Politics (Wings of War Book 4) MARK BERENT

It is with good reason that Mark Berent has consistently received this kind of praise. Berent, himself a highly decorated pilot, has seen his share of action, having served in the Air Force for more than twenty years and survived three tours of Vietnam. In his three previous novels, all a part of the continuing saga that Kirkus Reviews has called "one of the best Vietnam War fictional histories," Berent has demonstrated an unparalleled ability to recapture the Vietnam experience with vivid intensity. Berent's remarkable storytelling places the reader directly into the heat of the battle, dodging missiles in the sky and countering blows in hand-to-hand combat. As Tom Clancy says, "Berent is the real thing."

In *Eagle Station* (June 8, 1992) the newest installment in his Vietnam War series, Berent puts on the heat and raises the stakes, creating his most electrifying tale of war to date. Beginning with a hair-raising cliff side helicopter rescue under heavy fire, and racing toward a climactic ground battle played out in the dark of night, engaging top secret USAF first special operations gun ships, *Eagle Station* is filled with adventure and acts of daring, woven into a compelling and powerful plot.

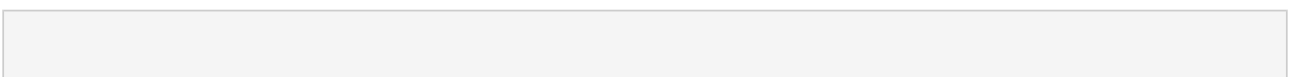

United States Airforce Academy (Provisional) Lowry Air Force Base, Denver, Colorado

Three Young Cadets, Kenichi Tanaka, Joe Kelly, and Manuel "Little Cat" Dominguez, all subjected to the cruel hazing of an arrogant and vengeful upperclassman, band together in a show of unity and strength. Years later, this solemn oath of brotherhood will hold them together, and be severely tested, during cataclysmic events in Vietnam.

They meet to save Eagle Station at Lima Site 85 Royalty of Laos. LS85 is only 24 kilometers from the North Vietnamese border and provides crucial navigation signals to U.S. planes attacking communist North Vietnam. Russian Spetsnaz have a plan to capture a vital electronic device from the site and kill all the Americans thereby aiding Hanoi's plot to provide a big event involving the first black POW pilot.

Eagle Station is the fourth of the five-book *Rolling Thunder* series. Next and last is *Storm Flight*.
