Exposing the Real Che Guevara: And the Useful Idiots Who Idolize Him

Humberto Fontova

Exposing the Real Che Guevara: And the Useful Idiots Who Idolize Him Humberto Fontova
A critical biography of the iconic communist revolutionary, and an expose of the liberals who lionize him.

Nearly four decades after his death, it's impossible to avoid the image of Ernesto "Che" Guevara everywhere from T-shirts to cartoons. Liberals consider Che a revolutionary martyr who gave his life to help the poor of Latin America. *Time* named him one of the one hundred most influential people of the last century. And a major Hollywood movie is about to lionize him to a new generation.

The reality, as we learn from Cuban exile Humberto Fontova, is that Che wasn't really a gentle soul and a selfless hero. He was a violent Communist who thought nothing of firing a gun into the stomach of a woman six months pregnant whose only crime was that her family opposed him. And he was a hypocrite who lusted after material luxuries while cultivating his image as a man of the people.

Fontova reveals that Che openly talked about his desire to use nuclear weapons against New York City. Such was Che's bloodthirsty hatred that Fontova considers him the godfather of modern terrorism.

Exposing the Real Che Guevara is based on scores of interviews with survivors of Che's atrocities as well as the American CIA agent who interrogated Che just hours before the Bolivian government executed him.
