## **Proverbs & Ecclesiastes (Brazos Theological Commentary on the Bible) Daniel J. Treier**

Pastors and leaders of the classical church interpreted the Bible theologically, believing Scripture as a whole witnessed to the gospel of Jesus Christ. Modern interpreters of the Bible questioned this premise. But in recent decades, a critical mass of theologians and biblical scholars has begun to reassert the priority of a theological reading of Scripture. The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret Scripture for the twenty-first century. In this addition to the well-received series, Daniel Treier offers theological exegesis of Proverbs and Ecclesiastes.
