Taming The Trouser Snake: A Man's Guide to Relationships, Romance, Sex, and More Rolando Gomez

Made for men to learn, written for women to recommend, enjoyed by both sexes. Whether you're an old or young "guy," you'll learn what women look for when it comes to sex, fitness, fashion, intimacy, romance, relationships, love, plus much more. Written for men that care and want to win, or keep a woman's heart for the right reasons -- as friends, colleagues, mutual lovers or even as a potential spouse. It's not a con game; you'll learn what's in for your woman of today.

Professional photographer of thousands of women for almost four decades, Rolando Gomez understands firsthand the societal pressures women bear. He knows a man's anatomy and biochemistry is simpler and more easily satisfied than a woman's as men don't deal with menstrual cycles, hormonal shifts and hot flashes.

Based on actual observations of women for almost forty years, Gomez, a father of four daughters, shares his knowledge from a man who's constantly exposed to new female generations by virtue of his profession. It's like he's been stuck in a world where women never age but their mentality constantly evolves.

These lifetime experiences are the heart of this book along with research and editing from close friend David Pruett, PhD.
