**This series arose from Stephen Behnke's experience teaching psychiatric residents, psychology interns, and social work students at the Massachusetts Mental Health Center.**

Trainees consistently mentioned how helpful it was to have laws relevant to their clinical practice explained in a way that removed the mystery and anxiety associated with lawyers, courts, and judges. Each volume in the series sets forth, in a clear, straightforward, and user-friendly manner, pertinent legislation and court cases, covering why the law was written, what the law says, and how the law affects clinical practice.
