The Seven Sisters and the Apocalypse Dylan Stephens

Just because the Apocalypse did not happen in December 21, the concept of the end of the world is still engrained in our psyche. Learn how to decipher the Book of Revelation and find the secrets that apply to your inner growth. Though some have tried, they do not have access to the key to the mystery. This key is the Peshier of Christ™. It reveals the Beast 666, the mystery of the Great Whore, and identifies the times and the pseudonyms of the angels and demons. Instead of being only doom and gloom, it shows that the final mystery is one of hope for the world. The truths are revealed in as a story of how Gwendolyn, six spiritually connected sisters, and six spiritual brothers from around the world face up to the Apocalypse. The sisters have an affinity to the seven women who followed Jesus and the brothers to the six direct apostles of Jesus. In this action filled adventure they face up to evil forces, they relive the times of Jesus' birth, and they even go back in time to prevent the end of the world. In addition sections of G.I. Gurdjieff's Beelzebub's Tales to his Grandson are discussion in relation to the universal Law of Seven.
