The Tiger Queens Stephanie Thornton

In the late twelfth century, across the sweeping Mongolian grasslands, brilliant, charismatic Temujin ascends to power, declaring himself the Great, or Genghis, Khan. But it is the women who stand beside him who ensure his triumph....

After her mother foretells an ominous future for her, gifted Borte becomes an outsider within her clan. When she seeks comfort in the arms of aristocratic traveler Jamuka, she discovers he is the blood brother of Temujin, the man who agreed to marry her and then abandoned her long before they could wed.

Temujin will return and make Borte his queen, yet it will take many women to safeguard his fragile new kingdom. Their daughter, the fierce Alaqai, will ride and shoot an arrow as well as any man. Fatima, an elegant Persian captive, will transform her desire for revenge into an unbreakable loyalty. And Sorkhokhtani, a demure widow, will position her sons to inherit the empire when it begins to fracture from within.

In a world lit by fire and ruled by the sword, the tiger queens of Genghis Khan come to depend on one another as they fight and love, scheme and sacrifice, all for the good of their family...and the greatness of the People of the Felt Walls.
