Kellen's Tempting Mate: Iron Wolves MC 3 Elle Boon

Kellen's Tempting Mate Iron Wolves Book 3 A NOT SO NAÏVE SHE-WOLF: Laikyn O'Neil has loved Kellen for years. Thinking to prove her love, she sets out to learn how to be a good submissive, only to find herself needing a savior. THE RELUCTANT ALPHA: When Kellen Styles finds Laikyn in the last place he expected, he rides to her rescue, but then can't stop his dominant needs from taking over. Sure that he has moved too soon, he backs off to give Laikyn time to come to terms with the fact that they are mates. Instead she leaves, thinking he didn't want her. AN UNDENIABLE BOND: Kellen is determined to claim his tempting mate and earn her forgiveness, and nothing and no one will stand in his way. When their world is suddenly rocked off its axis by vampires, fey and more, their pack will have to unite with these strangers in order to defeat the beings that threaten those they love. Elle Boon blew me away with this latest installment in her Iron Wolves series. The story starts out hitting hard and fast and doesn't let up until the very end.

~Book Chick Blog Reviews~ Kellen's Tempting Mate wasn't exactly what I was expecting ... it was more. It was fast paced and original and we were constantly wondering exactly what would happen next. But, most of all, it was fun watching Kellen truly fall and Laikyn catching him. ~Guilty Pleasures Reviews~
