Mexico: democracia, participacion social y proyecto de nacion (Spanish Edition) Edgar Gonzalez , Jose Luis Solis Esthela Gutierrez

Nos encontramos gravitando entorno a anejos y recientes problemas que se han enquistado en la vida nacional y que no solo obstruyen nuestras potencialidades como nacion, sino que nos coloca en la ruta de un proceso de crisis economica, politica y social de trascendentes consecuencias. Entre estas crisis encontramos, por ejemplo, los elevados indices de pobreza y desigualdad social, corrupcion lacerante e impunidad ilimitada, estado de derecho deficiente y entre los recientes, la delincuencia organizada y la erosion institucional. Puede identificarse tambien una serie de temas que han ido adquiriendo no solo una creciente magnitud en si mismos sino perfiles de mayor complejidad, tales como el deterioro ecologico, la perdida de la competitividad internacional, la migracion y una fragil democratizacion.
