My Dwarf Rabbit and Me (For the Love of Animals) Monika Wegler

Children love furry, cuddly dwarf rabbits, and this book explains how to relate to them and keep them healthy and happy. Books in the *For the Love of Animals* series are for new and inexperienced pet owners, parents whose kids would like to have a pet, and kids who simply want to know more about animals that make good pets. Emphasis is on building loving relationships between owners and pets. In this book, the nature and traits of the dwarf rabbit are explained, and recommendations are given for interaction between pets and owners. The book is delightfully illustrated with vivid, heartwarming color photos and attractive pictorial charts. Several gatefold pages open wide to present photo essays and other visually attractive features that will appeal to both adults and younger pet owners. Topics covered in all titles in this series include: Golden rules of pet care ... Getting to know your pet ... Building love and trust between owner and pet ... Fun and games with your pet ... Caring for your pet in its old age. There are approximately 80 attractive full-color photos and drawings to supplement a fact-filled text.
