The spaces featured in this collection of Texas kitchens represent the creativity of the state's top 60 architects, interior designers, builders, and professionals specializing in upscale materials, finishes, and fixtures. There are hundreds of impeccably designed primary kitchens, along with a variety of catering kitchens, sculleries, butler's pantries, breakfast nooks, dining rooms, wine cellars, and wine tasting areas. Some of the spaces were designed from the ground up; others were reinvented from older structures in need of a fresh look. The styles range from classical to modern and cover everything in-between. The designs are so well done that readers just may fall in love with a new look.
