The AmberEllie Doll is the first of a set of ten Faerie tales of Sol based on John McCrudden's successful fantasy novels: The Chronicles of Sol. Many of the characters in the Faerie tales are from the novels, and your children who are entertained and excited about the World of Sol can go on to enjoy the same friends in The Chronicles of Sol and revisit the places and events in the Faerie tales with new and exciting twists that both children and parents love. Inspired from Faerie tales and the fantasy novels, John has created a board game titled The Game of the Blademasters which features in all of the books.
