This Isn't It: Reviving The Woman Within Curtrice Lynette Williams

“This Isn't It ‘Reviving the Woman Within’” was written to penetrate the heart of every woman. Each chapter exposes hidden emotions that women feel but don't always know how to express. So often women go through so many of the same things, fall into feeling like they are the only ones who feel it all so deeply, and have felt that same brokenness that cuts so deep. Through transparency and perspective this book takes you on a journey of self discovery, self love, and healing. Curtrice Lynette Williams, mother, writer, and co-founder of Gentlewomenhood is traveling her journey through life exposing layers of her highs, lows, and the various different lessons she has learned along the way that are so often hidden in an attempt to maintain a sense of pride. If we all go through things and remain quiet we will never witness the beauty hidden in the midst of our pain, we will never experience the peace that is birthed from the freedom transparency awards. Curtrice has a passion for people and commits to helping others see that no matter where they are in life, this isn't it for them. For the woman simply existing but so desperately wanting to live again, for the woman who is broken, feeling isolated, and losing hope, through her openness, Curtrice desires to encourage, inspire, and help you see that it's time to heal; it is time to revive the woman you are within.
