Christians are being deceived! Until now, the Body of Christ has enjoyed less than the whole truth regarding The End Times, in fact, less than half! Is it any wonder the current End Times doctrines are so muddled and missing volumes of prophetic information? Discover why the prophets Daniel and John concealed important End Times facts. Learn the significance of the Great Consummation message, the second half to the Covenant of Jesus Christ. Confront the final chapters which unveil the grand conclusion to God's extraordinary plans for the greatest story ever told.

This Side of the Whirlwind provides evidence our world is heading for more than a single apocalypse! Information within its pages will certify the Great Tribulation is neither God's Wrath nor His plan for Christ's return. Uncover previously hidden biblical facts which confirm the first apocalypse will forcefully separate True Christians (the Sheep) from the Goats. Recent revelation will also prove the Rapture cannot take place before the tribulation period has been fulfilled; thus, negating any possibility a Pre-tribulation Rapture event could exist. All this and more will be firmly established and confirmed in *This Side of the Whirlwind*.
