In arranging this little volume the author has been prompted by gratitude for past favors, and a desire to fill a long felt want, without expectation, however, that these few leaves, penned with that which can be obtained in Terpsichore's vineyard, by penetrating every accessible recourse, and a compilation from the most able writers on the subject, together with original matter, can fill the entire niche in Terpsichore's temple.

At your feet, generous votaries of Terpsichore, is thrown the author's petit bouquet, many buds of which have been gathered through long years of unremitting toil in the chosen profession If their tints have been blended not to harmonize at all times, your kind forbearance and pardon is asked.

Dancing, although subject to much abuse and determined opposition, has flourished for annumbered centuries, from the remotest ages.
