He knows danger is up ahead when he realizes that his friend's dead man's switch computer program has been activated. Unsure who to trust, he sets out alone to unravel a dark conspiracy. Soon, the seeker soon becomes the hunted in an unknown wilderness. The only hope for escape is a trigger-happy hermit—a man with his own secrets to hide.

Fiction fans who love a great mystery and the quest for justice will talk about and think about this book long after the last chapter is read.
