Once again, Augusta O'Brien awakes from a terrifying dream that has always foretold of hardship and heartbreak. All too soon the prophecy comes true, when her father becomes gravely ill and insists that she marry a stranger and travel west with him to his brother's ranch in Colorado, where she will be the only female for a hundred miles. Despite Augusta's resentment, her new husband gently teaches her about God's love and provision. However, when tragedy follows her west, Augusta must rely on her new faith in God when she arrives at Tytus Grainger's Colorado ranch—pregnant and alone. And yet, she soon learns that she must face even greater dangers than a hostile brother-in-law. For Augusta has an enemy who is silently stalking her and will soon force her to face the reality of her worst nightmare. \*\*\* Giant in the Valley is a post-Civil War inspirational adventure, set in the foothills of the majestic Rocky Mountains. This Western love story, both divine and human, is meant to encourage those who believe that the tragedies they've suffered have robbed them of their hopes and dreams. It's a story that unveils the truth that we live many lives within a lifetime, and most importantly, that God can do more than we can ever ask or even dream of—infinately beyond our highest prayers, desires, thoughts or hopes! If we trust in God, we can always rely upon Him to be our Giant in the Valley!
