Queen & Country, Vol. 1: Operation Broken Ground Greg Rucka

As part of the Special Section of Britain's Ministry of Intelligence, Tara Chace is one of a handful of operatives they call when they need to clean up a mess, or to make a new one. It's a world of questionable morals. For instance, is it better to assassinate a general in the Russian mafia rather than allow him to peddle more guns and drugs in underprivileged countries? Tara's bosses seem to think so. But the Russian mafia ask their own question — once someone has taken the life of one of their officers, can they continue to let that person live? Greg Rucka peels back the lid on the traditional espionage story to see the nastiness inside, and Steve Rolston brings it to life with stunning clarity.
