Tori Spelling

sTORI Telling Tori Spelling

The star of *Beverly Hills 90210* offers a hilarious, insightful memoir about growing up on America's favorite teen drama and her life after the show.

She was television's most famous virgin -- and, as Aaron Spelling's daughter, arguably its most famous case of nepotism. Portraying Donna Martin on *Beverly Hills, 90210*, Tori Spelling became one of the most recognizable young actresses of her generation, with a not-so-private personal life every bit as fascinating as her character's exploits. Yet years later the name Tori Spelling too often closed -- and sometimes slammed -- the same doors it had opened.

sTORI telling is Tori's chance to finally tell her side of the tabloid-worthy life she's led, and she talks about it all: her decadent childhood birthday parties, her nose job, her fairy-tale wedding to the wrong man, her so-called feud with her mother. Tori has already revealed her flair for brilliant, self-effacing satire on her VH1 show *So NoTORIous* and Oxygen's *Tori & Dean: Inn Love*, but her memoir goes deeper, into the real life behind the rumors: her complicated relationship with her parents; her struggles as an actress after *90210*; her accident-prone love life; and, ultimately, her quest to define herself on her own terms.

From her over-the-top first wedding to finding new love to her much-publicized -- and misunderstood -- "disinheritance," *sTORI telling* is a juicy, eye-opening, enthralling look at what it really means to be Tori Spelling.
