## **What's the tapping solution when EFT only works temporarily or not at all?**

**How do you find the real core issues to tap on? How do you know when you're 100% clear? How do you use Surrogate EFT on behalf of your children, animal friends and other loved ones?**

This EFT guide answers those questions and provides tapping scripts that can be modified for any condition or situation. You'll learn about the body-mind-emotions connection, and how to translate physical conditions into a tapping blueprint for a return to well being. Formulas for creating effective setup statements will inspire your extreme tapping success.

For those not familiar with EFT, you'll learn what Emotional Freedom Techniques® is and how tapping works. Understand how to efficiently tap via concise yet simple diagrams, how to apply Surrogate EFT on behalf of loved ones and animals, how to identify the basic core issue fears to clear instead of ineffectively tapping on physical or emotional conditions.

Sample scripts instruct you how to tap away your fears that you need to be perfect to deserve love, how to blast procrastination and resistance, enhance your intuition, clear public speaking anxiety, job and self-employment failure fears. Well being scripts address clearing pesky skin conditions, upper/middle/lower back pain relief, weight loss and exercise resistance issues.

Written by Colleen Flanagan, a Certified EFT Expert (EFT-INTc, EFTCert-I, EFT-ADV, EFT-CC) with human and animal clients on six continents, this book offers everything you need to successfully use Emotional Freedom Techniques in any aspect of your life.

With this easy-to-follow, straightforward information, you immediately begin your return to well being, joy, high energy and self-love. Get your partner, children, or grandchildren involved and make this a family project - it's that easy! The only additional cost is a few minutes of your time. But you and your loved ones are worth it, right?
