The Empty Man (Issues) (6 Book Series) Cullen Bunn

WHY BOOM! LOVES IT: There's nothing scarier than horror that hits home—a tale of terror only one or two steps removed from our reality. **THE EMPTY MAN** is a dystopic version of the world we know, where a terrifying disease has taken on almost deific connotations.

WHY YOU'LL LOVE IT: Cullen Bunn (**THE SIXTH GUN**, **VENOM**) and Vanesa R. Del Rey (**HIT**) are two of the most exciting talents in the industry, and perfectly in sync on this haunting new crime procedural.

WHAT IT'S ABOUT: It's been one year since the first reported case of the Empty Man disease, and no drug has been able to slow its progress. The cause is unknown, and the symptoms include fits of rage, hideous hallucinations, suicidal dementia, followed by death, or a near lifeless, "empty" state of catatonia. As murder cults rise nationwide, the FBI and CDC enter a joint investigation of the Empty Man, hoping to piece together clues to stop the cult and uncover a cure.
