Released just in time for the 2016 tax season, this is the same Pub 17 available free-of-charge as a 288 page PDF from the IRS website. The IRS no longer offers a print version; as a Tax Preparer (and ex-Librarian), I know that many people prefer information in print. This is a book version, with double-sided pages produced on a high-quality commercial printer. I am also offering a three-hole punched version suitable for a binder. See my other listing. Please contact me if you have any questions.
