Cheating With My Boss Malicia Paine

My marriage has been slipping away from me for years. But all the while, subconsciously, I've known I had a connection with another man—my boss. And I've recently learned that he hasn't been getting the love he needs at home either. It also seems like my boss has a dark side, and I think I like it. This is the story of how we both found love in the most unlikely of places—the office.

Warning: This is an erotic short story. It contains adult themes and is intended for a mature audience. The story contains elements of BDSM, including bondage, domination and submission. All characters in this story are over 18 years of age, and all sexual activity depicted herein is safe, enthusiastic and consensual.

If you do love BDSM, be advised that this story is so steamy that you may feel flushed, and possibly need a change of clothes once you've finished reading it. And also, probably a good, hard f—k.
