Jennet Carter escaped the dark faeries of Feyland once. Now, fey magic is seeping out of the prototype game, beguiling the unwary and threatening everyone she cares about.

Tam Linn may be a hero in-game, but his real life is severely complicated. Still, he'll do whatever it takes to stop the creatures of Feyland, even if it means pushing Jennet toward the new guy in school - the one with an inside connection to sim-gaming... and the uncanny ability to charm everyone he meets.

Despite the danger, Jennet and Tam must return to Feyland to face the magic of the Bright Court - and a powerful new enemy who won't stop until the human world is at the mercy of the Realm of Faerie.

"This is a great series that deserves more attention. The books are quick and exciting reads, and if you like stories based on fairy tales, or if you enjoyed both the portrayal of the fae in *Mercy Thompson* and *October Daye* and the virtual world of *Ready Player One*, you will love this series." - *Kate, Epic Chocolate Fantasy*
