Her Rogue Bear: A BBW Romance (Thorne Clan Bears Book 1) Clara Cody

Life hasn't been easy for Lacey Brookes, a BBW, since moving to the small town of Kodiak Cliff. She left behind her friends, family and job to be closer to her boyfriend, only to catch the bastard cheating. Stuck in a strange town with nothing but a crappy job and a cheating ex, she hides her hurt behind the lie that she doesn't need a man.

Then she meets brooding bear shifter Sean, and her personal mantra goes out the window. Sean is big, strong and hot-as-hell, but also withdrawn and standoffish. He flips between drawing her in and pushing her away with both hands. And Lacey is in no mood for games.

Following death and tragedy, Sean Thorne abandoned his clan, taking a dangerous secret with him. Though his loneliness wears on him, he has accepted his fate as an outsider to both his own kind and the humans that can never know his secret. All that changes when Lacey enters his life, bringing to the surface all the feelings he prefers to avoid. Knowing that getting close to Lacey will put her in danger, Sean must keep her at a distance, no matter how much it hurts.

When a rogue bear shifter starts stalking the town and threatening not only his secret, but also the woman he loves, going at it alone is no longer an option. If he wants to keep Lacey safe, he must come to terms with the things he has done and the people he left behind.

While Sean and Lacey fight to catch the mysterious bear, they must also fight for each other or risk losing it all.
