There are two sides to every story.

It's friends-at-first-sight for Jessie and Annie, proving the old adage that opposites attract. Shy, anxious Jessie would give anything to have Annie's beauty and confidence. And Annie thinks Jessie has the perfect life, with her close-knit family and killer grades. They're BFFs . . . until suddenly they're not. Told through alternating points of view, *How It Ends* is the story of a friendship from first meeting to breakup, set against a tumultuous sophomore year of bullying, boys, and backstabbing.

Catherine Lo makes her debut with an honest, nuanced tale about the intricacies of female friendship.
