YA Paranormal Romance Short Story

When a faerie takes her best friend's soul, 16-year-old Eevee refuses to let Jaeger become just another Void. She wants to help him, but she has no idea how. After an accident gives her a concussion, she starts hearing voices in her head--well, one voice, loud, clear, and overly peppy and it belongs to Jaeger's little sister. And Mercy has a plan to get his soul back, once and for all...as long as they can outwit the Taker hunting them first.
