Pulse (The Pulse Series Book 1) Deborah Bladon

From New York Times bestselling author, Deborah Bladon.

Jessica Roth dumped her boyfriend, moved to New York and wanted desperately to start her new life off with a bang - a literal mind-blowing, soul-shaking night of pure, raw, memory making sex.

She thought her one time chance encounter with attorney, Nathan Moore, in a hotel room would become a jumping point for her exciting, single and adventurous life in the city.

One night turned into two, into four, and into more - always at the same place, always at the same time - no last names, no personal details, and absolutely no complications.

What Jessica doesn't count on is that in Nathan's world boundaries are made to be pushed.

He wanted her in ways he promised he never would. She wanted him in ways she couldn't admit.

When their lives ultimately collide outside the walls of the hotel room, Jessica is forced to face the truth about the only man who has ever made her pulse race and her body ache with unadulterated pleasure.

This is the first part of a four part series. The entire series is now complete and available as a bundled set here on Amazon!
