Young art student Evan Ross falls out of the closet and into the fire when an unexpected sexual encounter with a friend changes his life forever. His rocky –and surprisingly hot– search for true love and a real job (not necessarily in that order) takes him on a series of romantic adventures and misadventures, from the lofty hills to the seedy streets of San Francisco. When he lands a job as a male nanny for a precocious 8-year old, his career and romance paths start to converge - and he finds himself falling for a dead-ringer of his dream man, Clive Owen. The only problem? It's the girl's straight father. Can he land his dream job and his dream man? THE MANNY DIARIES is a sexy, warm and hilarious novel with a supporting cast of quirky, lovable characters, a fun pace, and a true-to-life setting.
