The Way We Get By: A Play Neil LaBute

Meet Beth and Doug: two people who have no problem getting dates with their partners of choice.

What they do have, however, is a very awkward encounter after spending one hot night together following a drunken wedding reception they attend. They wake up to a blurry morning where the rules of attraction, sex and society are waiting for them before their first cup of coffee, leading them to ponder how much they really know about each other and how much they really care about what other people think.

Slyly profound and irresistibly passionate, *The Way We Get By* is Neil LaBute's audacious tale of a very modern romance? a sharp, sexy, fresh look at love and lust and the whole damn thing.
