AN ALL-AMERICAN EX-AMERICAN

Famed professional poker player Adam Bilzerian had enough of the American government. He hated how it borrows trillions of dollars to fund unnecessary wars and how it imprisons its people for petty crimes; he hated how it interferes in the lives of citizens like his father, who was accused of financial impropriety and jailed in the 1980s. So, Adam did what many others have threatened to do, but few have actually done: he left the United States...for good. Sickened by American leaders betrayal of the founding fathers ideals and frustrated by the average citizen s inability to affect change, he gave up his citizenship and moved permanently to the Caribbean.

America: Love It or Leave It So I Left is the fascinating and controversial tale of one man s ultimate rebellion, a story that will force readers to examine what it means to be an American.
