Chronicles of a Teenage Sex Life Toni St. Mark

Shyanne was often told that she was ugly, black and fat. She was called names and excluded from the group. At thirteen years of age, Shyanne's body began to command attention from the opposite sex, and she noticed a change in the way her peers responded to her. After losing her virginity, Shyanne decided that sex is the only way to prevent herself from going back to being teased. Not only will she not be teased, but with sex, she can finally get the one thing that she has always wanted: a boyfriend.
