Desktop Domination - Part 2 (Throes of Passion Series Book 1) Jessika Hensley

This story is the sequel to my Desktop Domination story in this series. The general feedback was that readers wanted a longer story. Well this story picks up where the first Desktop Domination story leave off. If you haven't read the original Desktop Domination which is definitely an "erotica short story" in every form, then be sure to read it first.

Warning! This story gets a little ``rough`` in parts. Annie`s boss really controls the shots and he isn`t exactly ``tender and loving``. Actually it is quite the opposite.

Annie and the office intern, Candice, are on the hot spot and they must succumb to the boss`s needs, whether they want to or not. Erotica menage maybe, erotica romance... nope!

Here is a brief excerpt from this story:

Annie moved into position on the desk as she had been instructed to do. Candice soon had her hot mouth on Annie`s pussy. The lips on Candice`s face were full and soft. Annie closed her eyes as she felt her soft tongue playing with her labia and her teeth pulling on them gently. She heard the crack of the belt on Candice`s ass and felt her pick up the intensity of her sucking and licking. Her tongue moved to Annie`s clit and she began to flick it back and forth sending ever slightly mounting waves of pleasure through Annie`s body. Annie looked up over Candice`s head just as Branson poured his hot coffee down her ass crack. Candice winced as the scalding liquid went down the crack of her ass, ran over her pussy and dripped onto the floor beneath her. She cried out softly and the belt cracked again, but Candice cut off her soft whimper, fought back her tears and licked and sucked even harder. She pulled upward on Annie`s crotch so that she could get at her clit better and continued working on her as the belt found its mark over and over again.

Annie could feel the searing heat building between her legs and the increasing sexual pressure there as well. She wanted to moan and cry out, but she did not dare. The belt cracked again and Candice pulled on Annie`s clit with her teeth in response. Annie fought back a moan of pleasure as she felt her orgasm nearing inside of her.

“You can make noise now if you need to Annie,” Branson said. “You’ve been a good mommy.”

In relief, Annie took a deep breath and let go of a long guttural moan, expressing her intense enjoyment. The sound of her moan drove Candice to a new vigor in the pleasuring of Annie`s pussy. Candice pulled Annie`s pussy wide open with her hands, exposing her creamy inner lips and her protruding clit. She dove right in lapping up all of Annie`s sweet, whitish juices. Just then Annie heard the belt on Candice ass again. Unlike Annie, Candice seemed to be able to handle the roughness without reacting too much. In fact, you could tell that she quite enjoyed it! With every swat from his belt Candice became more turned on. This was apparent by the way Candice devoured Annie`s pussy more and more intently. It was as if she was eating her last meal! The intensity building up inside of Annie was too much for her, and she finally let go of the pressure which had built to a breaking point from under her pubic bone. Her burning hot pussy contracted, her knees spread as wide open as they could and her back arched simultaneously. The searing heat radiated in waves

and she cried out and moaned as she felt the release flowing through her entire body. You could see Annie's tight little tummy flex as her body spasmed with raw, overwhelming pleasure. Just as she finished several waves of her orgasm, she was interrupted by Branson's sharp voice.

Pick up this exciting story today and you'll never think the same way about your boss again!
