Life Before Life is spell-binding and offers a thought-provoking perspective of the life of one's soul. Dr. Marvin A. Lepien presents spiritual concepts of the process of transformation of the soul, concluding that a soul will continually return to earth as a human being until the soul's karma is balanced. Through first-hand experiences with patients under hypnosis, he learns the path of the soul as it travels through various levels of being - from within the skin of a human body, to the aire of floating through various spiritual levels. Dr. Marvin Alger Lepien, a devout Christian, a successful Chiropractic Physician as well as an experienced hypnotist, used past-life regression therapy in his practice for over forty-years. As an avid student of the Word of God, of spiritualism, relationships, and the deeper meaning of life, he developed a deep interest in hypnosis.
