Charlie isn't sure about what kind of man he is -- he's not interested in girls, not that there are any on the farm anyway. There are a bevy of macho farmworkers, however, and one redneck stud in particular has attracted Charlie's attention. His name is Robert; he's willing to get down and dirty, on the bottom, to help Charlie understand the feelings he's got. This is an outrageous tale of one hot twink, one burly bear and a reversal of expectations that you'll have to read to believe!
