Senator Larry Campbell, British Columbia wrote on 04 December, 2012: Certainly the vitriol and language that you used is simply rude when common sense dictated an easier route. My reply is read this book and tell Terry Mallenby who has been harassed since 1976 because of RCMP lies and fabrication, and his wife and children have been harassed and discriminated against by the government of Canada, as RCMP payback because Terry Mallenby successfully sued them? And then Senator Larry Campbell, from British Columbia, Canada can speak intelligently about “vitriolic language”??
