Best of American Splendor

Harvey Pekar

Best of American Splendor Harvey Pekar

Experience the heartwarming all-American story of a crank and his comic book.

What's a file clerk from Cleveland doing with an Oscar nomination? How did a movie about Harvey Pekar win the Grand Jury Prize at the 2003 Sundance Film Festival? The story begins in 1976, when Harvey began publishing his autobiographical, slice-of-downtrodden-life comic book series *American Splendor*, illustrated by a who's who of underground comic artists, including R. Crumb, Kevin Brown, Greg Budgett, Sean Carroll, Sue Cavey, Gary Dumm, Val Mayerik, and Gerry Shamray. After self-publishing *American Splendor* for nearly two decades under less than splendid conditions (and racking impressive accolades in the process), Harvey finally got a break when Dark Horse Comics took over the publication in the early 1990s. It was an opportunity for Harvey to reach a wider audience—which, as it turned out, included a few Hollywood types, too. (Who knew?) But that's another story. . . .

Now we are happy to bring you the *Best of American Splendor*, a collection of some of Harvey's greatest work. Harvey Pekar has been compared to Theodore Dreiser, Fyodor Dostoevsky, and Lenny Bruce, but this collection is a true American original. Just like Harvey.

From reader reviews:

Virginia Smith:

With other case, little persons like to read book Best of American Splendor. You can choose the best book if you like reading a book. Given that we know about how is important a book Best of American Splendor. You can add understanding and of course you can around the world by a book. Absolutely right, because from book you can understand everything! From your country until finally foreign or abroad you will end up known. About simple point until wonderful thing you could know that. In this era, we can open a book as well as searching by internet gadget. It is called e-book. You need to use it when you feel uninterested to go to the library. Let's study.

Deborah Tate:

Do you among people who can't read gratifying if the sentence chained inside the straightway, hold on guys this particular aren't like that. This Best of American Splendor book is readable by you who hate those straight word style. You will find the info here are arrange for enjoyable looking at experience without leaving even decrease the knowledge that want to offer to you. The writer connected with Best of American Splendor content conveys thinking easily to understand by lots of people. The printed and e-book are not different in the articles but it just different available as it. So , do you still thinking Best of American Splendor is not loveable to be your top checklist reading book?

Troy Harlow:

Information is provisions for folks to get better life, information these days can get by anyone with everywhere. The information can be a understanding or any news even a huge concern. What people must be consider if those information which is in the former life are hard to be find than now could be taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you get the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take Best of American Splendor as the daily resource information.

Silvia Washington:

This Best of American Splendor is great book for you because the content which can be full of information for you who all always deal with world and also have to make decision every minute. This particular book reveal it info accurately using great organize word or we can declare no rambling sentences within it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but challenging core information with wonderful delivering sentences. Having Best of American Splendor in your hand like having the world in your arm, info in it is not ridiculous just one. We can say that no book that offer you world within ten or fifteen second right but this reserve already do that. So , this is certainly good reading book. Hi Mr. and Mrs. hectic do you still doubt this?
