False Accusations

Alan Jacobson

False Accusations Alan Jacobson

Dr. Phillip Madison has everything: wealth, power, and an impeccable reputation. But in the pre-dawn hours of a quiet California suburb, the revered orthopedic surgeon is charged with double homicide—a cold blooded hit-and-run that has left an innocent young couple dead. Blood evidence has brought the police to his door. An eyewitness has placed him at the crime scene...and Madison has no alibi. With his family torn apart, his career forever damaged, no way to prove his innocence and facing life in prison, Madison hires an investigator to find the person who has engineered the case against him. False Accusations is a psychological thriller that instantly became a National Bestseller and launched Alan Jacobson's career, a novel that spurred CNN to call him, "One of the brightest stars in the publishing industry."
