Whenever Maya visits the river, the river jumps up to greet her. It cools her down when the summer sun is too hot, and holds her up when she dives in. It keeps her company in the quiet of winter. The river takes care of Maya and Maya takes care of the river. In this gentle story of love and respect for nature, Maya Christina Gonzalez combines her award-winning talents as an artist and storyteller. Young readers will be inspired by the joy and wonder of being outdoors, and learn powerful lessons about their environment and themselves.
