This was also my first collection of erotica. Wow. I enjoyed every story and every clever simile and metaphor. 'His kisses were flawless; his tongue like a majestic wave dancing in the moonlight of my mouth.' That's nice. Great writing and a lot of steamy fun. I don't smoke, but I feel like I need a cigarette!" — J.R Rain, Author of Moon Dance and the Vampire for Hire series. "The talented Ms. Ashton's words damn near left me breathless! This author's superb prose held me captive. I was unable to pull myself away from the stunning imagery provided in all six selections in this collection--imagery that goes far beyond mere sexual fantasies. Ms. Ashton succeeds in getting the reader to care about what happens to her characters, and she does it quickly. It certainly makes the storylines and ultimately the seductions portrayed believable and so much fun to experience as a reader!" — Aiden James, Author of the Vampire's Last Lover "I'll be in my bunk!" — Ren Connery, co-author of Any Place, Any Time
