Carla Richards is a lot of things. She's a waitress at Anchorage's premier dining establishment, Mexico in an Igloo; an artist who secretly makes erotic dolls for extra income; a divorcée who can't quite detach from her ex-husband; and a single mom trying to support her gifted eight-year-old son, her pregnant sister, and her babysitter-turned-resident-teenager.

She's one overdue bill away from completely losing control-when inspiration strikes in the form of a TV personality. Now she's scribbling away in a diary, flirting with an anthropologist, and making appointments with a credit counselor.

Still, getting her life and dreams back on track is difficult. Is perfection really within reach? Or will she wind up with something even better?
