BOOK #1: Natural Antibiotics: Garlic As The Best Natural Antibiotic You Can Use Instead of Pills

People nowadays can commit to taking garlic as an ongoing therapeutic measure, or just to add it to their diet to experience some of its health benefits. Either way, garlic offers good health for the cardiovascular and digestive systems, and may also lower the risk of developing cancer at some point in a person's life.

This book takes a detailed look at the following areas where garlic has been shown to benefit the human body:

- Treating Blood Disorders
- Fighting Infection
- Preventing/Treating Cancer
- Other Medicinal Uses

It also offers advice on the best ways to consume garlic, and the common mistakes people make that actually lower or negate the benefits they could experience from this wonderful herb. Get this book to learn how garlic just might change your life!
