Once Upon A Time in Sweden Greta L. Smith

A young mother and her four-year old daughter traveled from California to Sweden to visit family members. They were expecting to stay a month. Little did they know it would be twenty-seven months before they were able to return to the United States of America. This journal is about my life in Sweden during those turbulent times in Europe before and at the beginning of World War II. The year was 1938. - Greta L. Smith
