The Rosicrucians

Rosicrucian Manual The Rosicrucians

The present edition has been carefully revised, at the same time that it has been largely extended. It comprises, now, Two Volumes. The addition of new engravings — singularly suggestive — prepared with great care, presenting very antique and authentic claims, speaks for value.

The Authors can refer with pride to the numerous letters which reach them, if pride, or even particular gratification (according to ordinary ideas), could actuate in the statement of the fact. This is a serious treatise upon the "Rosicrucians." Letters expressing great interest, some anonymous, some with names, addressed from all parts—from Germany, France, Spain, the West Indies; from India, Italy, and Denmark, and from remote corners in our own country— these have multiplied since the work was first published. America has displayed unbounded curiosity. To all these communications, with a few exceptions, no answers have been (nor could be) returned. The volumes themselves must be read with attention, or nothing is effected. The book must be its own interpreter, if interpretation is sought. But interpretation does not apply in this instance. [graphic]

With one word we shall conclude. The Authors of the "Rosicrucians" would quietly warn (for to do more would imply a greater attention than is due) against all attempts in books, or in print or otherwise, to subscribe with "letters " or any addition (or affectstion), signifying a supposed personal connection with the real "Rosicrucians." These haughty Philosophers forbade disclosure—this, of either their real doctrines or intentions, or of their personality.

We may most truly say, that in this work—as it now stands, care being taken to keep all reserves— will be found the best account of this illustrious and mysterious Fraternity.

CHAPTER THE FIRST CRITICS OF THE ROSICRUCIANS CRITICS

From reader reviews:

Sybil Moore:

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each guide has different aim or perhaps goal; it means that reserve has different type. Some people really feel enjoy to spend their time to read a book. They may be reading whatever they acquire because their hobby is reading a book. What about the person who don't like reading a book? Sometime, person feel need book after they found difficult problem or even exercise. Well, probably you will require this Rosicrucian Manual.

Linda Christopher:

In this era which is the greater man or who has ability to do something more are more precious than other. Do you want to become one of it? It is just simple method to have that. What you have to do is just spending your time almost no but quite enough to get a look at some books. Among the books in the top listing in your reading list is Rosicrucian Manual. This book that is certainly qualified as The Hungry Inclines can get you closer in becoming precious person. By looking right up and review this reserve you can get many advantages.

Larry Boggs:

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's soul or real their interest. They just do what the teacher want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Rosicrucian Manual can make you truly feel more interested to read.

Virginia Kang:

A number of people said that they feel weary when they reading a reserve. They are directly felt it when they get a half regions of the book. You can choose often the book Rosicrucian Manual to make your own reading is interesting. Your own personal skill of reading proficiency is developing when you similar to reading. Try to choose straightforward book to make you enjoy to study it and mingle the opinion about book and reading especially. It is to be first opinion for you to like to wide open a book and study it. Beside that the guide Rosicrucian Manual can to be your brand-new friend when you're feel alone and confuse in doing what must you're doing of this time.
