NEW BOUNUS: FREE BOOK! TINY HOUSES WITH EXAMPLE PLANS!

For many years the purpose of a retired **shipping container** that had been at sea too long was just to store gym equipment at the back of schools or to act as the office of a foreman at a construction site. Now though, people are seeing the value of cheap and mobile building blocks that, with a little help, can become near indestructible. With this book you will discover how to take advantage of the flexibility and charm of the shipping container to create a unique home that will live on through the ages.

- Learn about the process of turning a big metal box into a safe and spacious material to build your home out of
- Discover how to get the most of your money with contractors and how best to secure planning permission for a **shipping container home**
- Find the best possible design of home for you, one that will bring your vision to life quickly and cheaply

Tiny House Living with Example Plans

A **tiny house** is not just all you could afford or a way to look down on your home. Instead tiny house living is an intentional movement to become minimal and live as efficiently and freely as possible. Whether you want to downsize, whether you want to have a house that is cheaper and easier to maintain, or whether you just love the idea of living in a tiny house this is the book for you.

In this **Tiny House Living** book you will be taken through the many stages of building, designing and living in a tiny house. You will be told the pros and cons, the difficulties of getting housing permits, how to use your space most effectively and how to find the best location and land for you. With a tiny house you will learn how to live large and truly appreciate the things you have and not allow the things you don't need to control you.

- Discover what a **tiny house** is and why people the world over are falling in love with them
- Find out the best approach to building your **tiny house** and how to save money doing it
- Learn secrets spots to store your stuff without it ever getting in your way and how to use color and light to make one room seem like three
- **Example tiny plans** for your **tiny home**, five examples to choose from
